Since I graduated from Bangkok University in 2020, I have worked in the international transport field, beginning with shipping lines and then international freight forwarders until now **I work with a long journey company in Thailand which is Handle Inter Group which was established in 2003.** Not only plenty of my experience in this field but also concerning in every detail of consignment lead to well know company such as SCG plastic and Sappe Public company etc. trust in me and give me a chance to handle their shipments. Hopefully, you will give me a chance to Handle your shipment in nearly future to feel professional operation!
